

- look for more clusters - localization
 - where is the thy1.1
 - where is the 45.1
 - watch out for colocalization
 - WHERE ARE THEY LOCATED? - watch for patterns and anything interesting

- changing the staining times
 - stain for 1 hr at 37 degrees
 - overnight 4 degrees
- techniques
 - wash 3 times 5 minutes after the fix
 - block for only 10-15 minutes!
 -
